

## NEW LIFE NORTHERN IRELAND GOLF EXPEDITION CANCELLATION POLICY

We understand that unforeseen circumstances come up from time to time that might cause a participant the need to cancel. Being an international destination, most of the costs associated with the trip are prepaid and guaranteed ahead of time. First of all, in the event of a cancellation, New Life will try to fill your vacated spot to minimize the cost of cancellation. In the event we are unable to fill your spot, the following cancellation policy would go into effect:

If cancellation is before December 31	Refund all but \$500
If cancellation is after December 31, but before February 15	Refund all but \$2,500
If cancellation is after February 15 but before March 31	Refund all but \$4,000
After March 31	No refund

Any funds that are not returned due to cancellation will be issued as a tax-deductible receipt as no goods or services were received.
