Stock Donation Form

This form may be used to instruct your broker to electronically transfer a gift of stock. At the time of transfer, **please fax a copy of the completed form to (469) 554-7022, attention Diane Gresham or scan and email to dgresham@newlife.com**. This insures that we know who the donation is from. Once the stock is transferred into New Life's account, we will receive notification of the transfer, and a receipt will be sent to you. The effective contribution date for tax purposes is the date the shares are placed into our account, and the value of your gift is the stock price on that date. Our receipt will confirm the date, the name of the stock and the number of shares you gave. It is up to you to determine the value of the shares on that date for tax reporting purposes.
