MINISTRY: Stephen Arterburn is a respected innovator dedicated to helping transform lives with God's truth all over the world. In 1988, he founded *New Life Treatment Centers*, a venture-capital funded organization providing Christian psychiatric and addiction treatment in secular psychiatric hospitals. Because of the impact, growth, and profitability of this organization, Stephen was awarded the *Socially Responsible Entrepreneur of the Year* by Ernst and Young, Merrill Lynch, and *Inc. Magazine*. He quickly grew that extremely profitable organization to \$100 million in revenues before it was purchased by Thomas Nelson Publishers. At that time, he spun off "New Life Ministries" into the current, not-for-profit ministry producing the #1 syndicated Christian Counseling Radio Program, "*New Life Live!*". Many people in remote locations say it is the only wise counsel available to them.

New Life has maintained its focus on three principles since 1988: *True Truth, Redemptive Relationships and Total Transformation*. New Life has a network of 1,000 Christian counselors and therapists around the country who help the thousands of people who call 800-NEW-LIFE. What used to be done in hospitals and treatment centers happens now in weekend and online intensives involving both therapists and speakers. *Every Man's Battle, Restore, Emotional Freedom, and Intimacy in Marriage* are some of the intensive events conducted by [New Life](#).

MEDIA: Stephen Arterburn's marketing and media mindfulness has landed him and his work with appearances on *Oprah* (3 times), *Good Morning America*, and *ABC World News Tonight*.
